

## Make a decision

NAME:

DATE:

When you set your goals but hit a road block, do you change your plan and throw in the towel? Most of the times, making decisions can be the difference between success and being driftwood on the river of life. If you don't make your own choices, then life or someone else will make them for you.

***What things that are sitting on the fence right now that need some action?***

The word 'decision' comes from the latin word 'decidere', which means to 'cut off' from something. In other words, once you have decided, it means you have to cut off from all other options. Make today the day you decide.
